

The background of the slide is a composite image. It features a view of the Earth's horizon from space, with a bright sun or star on the left creating a lens flare. Overlaid on this is a star map or constellation chart, with white lines connecting stars to form various shapes, including a prominent one that resembles the map of Europe. The text 'skyguide' is in the top right corner.

Automation of the European sky

Keynote
IFATCA 4th Digitalization Workshop, 22 March 2024
Klaus Meier, CTO

Local equipment locally operating and locally managed

skyguide

International networks in the sky?

skyguide

It's not just about embracing technology but about harnessing the strength of the woman and the man who make technology happen.

Pour ce qui est de l'avenir,
il ne s'agit pas de le
prévoir, mais de le rendre
possible.
